## 4-H Member's Code of Conduct, Clinton County, Ohio

These standards of behavior have been set for all youth taking part in 4-H in Clinton County. Everyone is responsible for upholding and following the code so that we may work together well and help all members "learn by doing" in our program.

- I will be considerate and courteous, and respect the rights and feeling of all members, leaders, and guests of my 4-H Club.
- I will act in a mature and responsible way, remembering that I am a role model and am representing Clinton County 4-H, my Club, and my family.
- I will not use anyone else's things without permission, or deface or damage anyone else's property.
- I will cooperate with all reasonable requests made by leaders and other adults who help at my 4-H Club meetings, project activities, and special programs.
- I will come to 4-H meetings and activities on time and take part in the planned program, even when an activity might not be my favorite. While taking part, I will make sure to act so that everyone involved can stay safe, have fun, and learn something.
- I will not use or bring to any 4-H meeting, activity, or event any alcoholic beverages, tobacco product, illegal drug, or any kind of fireworks.
- I will not bring to any 4-H activity or meeting any gun, knife, or anything else that could be used as a weapon, unless it is required for a project, class, or activity. (I understand that my Advisor or instructor will give me a written list of equipment when such items are needed.)
- I will dress appropriately for 4-H events, following any special event guidelines when requested.
- I will welcome all new members and guests or speakers involved in Club or field trip activities, and respect any differences in language, nationality, religion, or personal background life style.
- I will use all electronic media responsibly, and respect the rights and feeling of all members and adults in my correspondence to others.
- When I choose to take part in county, area, state, or national 4-H activity, I will obey any special rules that apply to those activities.
- I will practice good sportsmanship, be helpful to others, uphold ethical practices in 4-H projects and events, and refrain from use of any improper language and profanity.

### Consequences:

I understand that if I choose not to follow this code, I may

- in mild cases, receive a warning;
- be able to remain at an event, but be prohibited from taking part in a future event;
- lose Fair premiums or participation privileges, (if misbehavior occurs at Fair);
- be sent home at family's expense
- be asked along with my parents to attend a conference with Extension Staff, Club Advisors, or event volunteers.

I promise to obey this code of conduct:
