Weather Cancellations

Just a reminder about our weather cancellation policy. The Ohio State University Extension Office (OSUE) 4-H Program follows Wilmington City School closings. Therefore, if Wilmington City Schools are closed, we close OSUE 4-H events. If weather starts to develop during the day while school is in session, we will decide by 3:00 p.m. for evening events. It will be posted on Facebook, emailed, and posted on the website.

2021 Goat Start Up Program

Thank you to everyone that signed up for the program. It is now full. If you would like to be added to the waiting list, please contact the OSU Extension Office at 937-382-0901.

2021 Swine Start Up Program

The swine committee is looking for new and current 4-H members that would like to participate in the Swine Start Up Program for 2021. To learn more or sign up contact the OSU Extension office today at 937.382.0901. Swine Start Up is for first time swine exhibitors. Exhibitors must sign up for a market swine project and pay a \$25 non-refundable deposit by April 1 at the OSU Extension office. The total cost for the program is \$125 and is due by project pick up in April. Members will receive a market hog from a local breeder plus other start up supplies and special educational sessions and Quality Assurance (QA) training. Exhibitor meeting and QA will be held March 13 at 9:30 a.m. in the OSUE Office, this is required for participants and a parent/legal guardian. Make sure, when you are completing your 4-H/FFA enrollment you sign up for market swine project 139. The project pick up is April 17.

4-H Roping

This year marks the fifth year for the Clinton County 4-H Roping Show & Projects! It is open to any county 4-Her that would like to learn how to rope or has an interest. No horse is needed, and you can sign-up in any existing 4-H club using the project code 539. For questions or info contact Josh Dixon at 937-302-6511.

Ohio 4-H Family Guide

Check your mailbox for your copy of the Ohio 4-H Family Guide. Please start looking through it to learn about new projects and select your 2021 projects. It is helpful to go through the guide and select your projects before you enroll online. <https://ohio4h.org/familyguide>

Quality Assurance (QA)

4-H/FFA members who want to show and/or sell market steers, market hogs, market lambs, market goats, market dairy steers, feeder calves, lactating dairy cattle, market poultry, market rabbits and lactating dairy goats must attend a Quality Assurance Training at a designated time. Clinton County 4-H/FFA members are required to attend a QA session. Youth 8-18 years old must attend a face-to-face QA, County Zoom QA, or complete the online Youth for the Quality Care

for Animals (YQCA) certification to meet the county QA requirement. YQCA is the only online certification accepted. Parent/Guardian are encouraged to attend a QA session with the exhibitor. Youth in Clinton County may attend QA outside the county if it is a certified program and OSUE in Clinton County receives documentation the member participated. QA certification must be completed by May 26. P

In person Quality Assurance is held at the Clinton County Fairground-Expo Building. You must **RSVP** if you would like to attend. We will follow OSU and health department guidelines. Please limit extra family members to one parent and participants. March 6 & 23 QA sessions are full. Future dates that will require registration include April 28, 6:30 pm & May 20, 6:30pm. Zoom sessions include: March 30, 6:30 pm, April 7, 6:30 pm and May 8 9:30 am. QA will be offered for youth in the Start Up Hog & Goat programs during county meetings.

Cloverbuds

We will be offering County Cloverbud meetings again this year. The meetings will be held in-person at the OSU Extension office monthly. Please refer to the 4-H calendar for dates and times. The next meeting is March 20 from 10:30-11:30 a.m. at the Ohio State University Extension Office-Community Room.

Each event is designed for County 4-H Cloverbud Members age 5 and in kindergarten to 8 years old. During each session members learn more about 4-H, interact with other Cloverbuds from the county; participate in hands-on learning activities, games, and snacks. If you are planning to attend, please email montague.18@osu.edu or call the Extension office 937-382-0901. This will help us prepare for activities and snacks.

Enrollment

Please check in with your 4-H club advisors for enrollment and meeting information. Online enrollment can be accessed at <https://v2.4honline.com>. To help you and prepare for the season the enrollment deadline has been moved to **April 1, 2021!** This is only for this year. You will have from **April 2-9** to make any changes to your enrollment such as adding, dropping, or changing a project by calling the OSUE Office.

Eligibility for 4-H Cloverbud membership begins when a child has reached age 5 and is enrolled in Kindergarten as of January 1 of the current year. Project membership begins when a child is at least age 8 and enrolled in the 3rd grade as of January 1 of the current year. Ohio 4-H Membership ends December 31 of the year an individual attains the age of 19. Any youth age 9 or above is eligible for project membership regardless of grade level.

Junior Fair Requirements Book

The junior fair schedule and book is getting finalized. The book is being posted online by department.

New County Meetings

You might have noticed on the 4-H calendar a new event, All County Meeting for 4-H members. Volunteers and parents are also invited to join in the meeting. The meetings will be held virtually. We will cover enrollment, fair entries, and special topics/speakers. Attendance will be emailed to the main club leader following the event. Check with your club volunteer to see if it can count for a club meeting. Thank you to Dr. Bittner & Dr. Gano, **Orchard Vet Care for speaking at the February meeting.**

The next meeting is this week, March 4. Dr. Tim McDermott with Ohio State University Extension, Franklin County will be discussing diseases in poultry. Each meeting will be facilitated by Junior Fair Board members. The meetings will range from 30-60 minutes. Below is the Zoom link for the March meeting.
