Clinton County Beef Tag In

The December market beef tag in will be Wednesday, December 8 from 6-8:00 p.m. at the fairground in the Livestock Exposition Center (LEC). All market steer and market heifer projects need to be tagged in and weighed. Vet services will be available to members for a fee during tag in. If you have any questions, please contact The Extension Office.

Scholarships & Awards for Teens (4-H Ohio Achievement Record)

It is never too early to start working on scholarships and awards forms. If you are looking for more money for college or want to get recognition for project accomplishments in 4-H then please stop in and talk with Tracie or visit the following site to explore opportunities for you: <https://ohio4h.org/awardsandscholarships>. Also, plan to come to the Awards Info Night on Monday, December 6 at 6:00 p.m. at the Extension office. Learn from current teens and alumni in the county how to fill out scholarship & award forms. Learn about state awards you can receive and trip opportunities outside of Ohio! Come and learn how you can be selected to attend special camps, trips, scholarships, and conferences! Parents are encouraged to attend too!

2022 Family Guide

The new Family Guide has been posted online at <https://ohio4h.org/familyguide>.

This is your place to connect to our entire collection of Ohio 4-H project books for the year. Each project book contains information and activities for members to explore as an organized group project or at home under the guidance of a parent or interested adult. When choosing a project, consider your interests, background, what is necessary to start the project, and the resources available to help you complete it.

Ohio residents can order project books and other publications described in the *Family Guide* through local county Ohio State University Extension offices. Out-of-state residents or Ohio residents who want to buy online can go directly to extensionpublications.osu.edu.

Weather Cancellations

Just a reminder about our weather cancellation policy as we head into winter. The Ohio State University Extension Office (OSUE) 4-H Program follows Wilmington City School closings. Therefore, if Wilmington City Schools are closed, we close OSUE 4-H events. If weather starts to develop during the day while school is in session, we will decide by 3:00 p.m. for evening events. It will be posted on Facebook, emailed, and posted on the website.
