Junior Fair Thank You Notes

Please take a few minutes to send your junior fair award donor(s) a thank you note. We would not be able to provide awards for the junior fair without our wonderful community

donors. If you need a donor name or address, please email foxworthy.1@osu.edu. Most fair awards had a label with the donor's name and address. When writing a thank you note let the donor know you appreciate the award you received and maybe tell them something about your project or about your fair experience this year!

New 4-H Projects for 2026

Check out two of the new 4-H projects for 2026: *Water Matters* and *Living on Your Own!*
Water Matters (616) introduces beginning-level learners to where water comes from and what happens before it reaches us. Youth explore why it is important to "consider the source" of their water and learn about the professionals who work to get that clean, fresh water to us.
Living on Your Own (495) guides advanced-level learners through what to think about before choosing a new place to live. They will consider their goals, budget, transportation, and service needs—before making the move to live independently.
Water Matters and Living on Your Own are available through your county 4-H professionals and at extensionpubs.osu.edu.
