- Grand Champion and Reserve Grand Champion projects must be put on display in the Peterson Barn for the Row of Champions the day they are selected. (Projects selected Sunday-Tuesday of the fair must be put on display at 8am on Wednesday.) The livestock projects must be on display blanket free daily for the public to observe between 8am-10pm. Projects may return to their respective barn during the night from 10pm-8am.
- All projects must always remain in the Junior Fair barn areas and not be in the camper, parking or midway areas. It is the exhibitor's responsibility to clean the project pen immediately following project release or the exhibitor will be subject to a penalty fee.
- Grand Champion and Reserve Grand Champion projects will be used for the small animal or the large animal sweepstakes contests.
